Dear Mr. Waters:

Shield Environmental Associates, Inc. (Shield) contacted your office on October 5, 1993 to discuss the progress towards the Comprehensive Site Assessment (CSA) for the Gate City Truck Repair site located in Greensboro, North Carolina. We informed Ms. Cindy Rental that the groundwater and soil assessment has been completed and that the CSA report is being prepared. Ms. Rental informed Shield that the CSA report should be submitted to your office by October 31, 1993. We agree that this will allow adequate time to prepare and submit this report.

If you have any questions or require additional information, please call us at (800) 395-5220.

Sincerely,  
Shield Environmental Associates, Inc.
